Junior Android App developer

[01/01/2022 – 01/03/2024]

- Assisted in developing Android applications and implementing new features.
- Performed app maintenance, debugging, and UI improvements.
- Supported senior developers in testing and deployment tasks.

EDUCATION AND TRAINING

BS Computer science

Pmas arid agriculture university rawalpindi [05/10/2020 – 12/09/2024]

City: Rawalpindi | Country: Pakistan | Website: <https://www.uaar.edu.pk/index.php> | Final grade: 3.24 | Level in EQF: EQF level 6

Major Subjects: Programming Fundamentals, Object Oriented Programming, Data Structures & Algorithms, Database Systems, Software Engineering, Web Development, Mobile Application Development, Artificial Intelligence, Computer Networks, Computer Graphics, Information Security, Distributed Computing, Theory of Automata and Formal Languages, Advanced Programming Language, Visual Programming, Research Project I, Research Project II.

LANGUAGE SKILLS

Mother tongue(s): Urdu

Other language(s):

Urdu	English
LISTENING C2 READING C2 WRITING C2	LISTENING C1 READING C1 WRITING C2
SPOKEN PRODUCTION C2 SPOKEN INTERACTION C2	SPOKEN PRODUCTION C1 SPOKEN INTERACTION C1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Application Deployment / Programming (C, Java, Kotlin) / C++ / Anroid Development / kotlin Programming / Github / Jetpack Compose UI Toolkit / Object-Oriented Programming / MVVM + Repository pattern

PROJECTS

[01/02/2022 – Current]

Projects & Published Apps Featured Android Applications

- **4K Video Player & Music Player** — Multimedia application with 4K video playback, video downloader, WhatsApp status saver, screen casting, audio converter, video trimmer, and advanced music player features built with Jetpack Compose.
- **VideoHub – Video Downloader & Player** — HD video downloader and media player application with offline playback, private storage, and smooth media management features.
- **ReelMax Video Player AllFormat** — Advanced Android video player supporting multiple media formats, HD playback, TV casting, and media management tools.
- **HD Video Downloader & Video Player** — Modern multimedia application featuring HD/4K playback, fast downloading, private media storage, and optimized streaming experience.
- **DocFlow – File Reader & PDF Viewer AI** — All-in-one document reader and PDF management application with AI tools, scanning, OCR, and smart file organization features.
- **Gen AI Photo Editor Pro** — AI-powered photo editing application featuring background remover, collage maker, neon effects, filters, blur effects, and advanced editing tools.
- **VoiceMaker – Receipt Generator** — Smart invoice and receipt generator application with PDF export, customizable templates, and offline business management tools.
- **WiFi Analyzer – AI Speed Tools** — Network utility application for WiFi analysis, internet speed testing, signal monitoring, and connectivity diagnostics.

- **Force LTE Only – 4G Network & WiFi Tools** — Android network management application for switching/locking LTE networks, monitoring signals, and improving connectivity performance.
- **Smart Qibla Compass & Tracker** — Islamic utility application with accurate Qibla direction, GPS tracking, compass tools, weather updates, and navigation features.
- **Caller Announcer – Call Themes** — Smart caller announcer application with voice alerts, SMS announcements, battery notifications, and customizable call themes.
- **SendEase – Easy File Transfer** — File sharing and utility application with fast data transfer, status saver, media playback, and smart file management features.
- **Lovina – Prank Group Video Call** — Entertainment-based prank video calling application with fake group calls, interactive call screens, and engaging UI animations.

Additional Applications & Features

- AI Image Generator
- Background Remover
- Photo Editor
- Face Swap
- Voice Translator
- Land Area Calculator
- Satellite Positioning
- QR & Barcode Scanner
- Weather Forecast
- AI Calculator
- Media Player
- Data Recovery
- WhatsApp Status Saver
- Video Player
- Video Downloader
